# Emotion, psyche

## Joalis EMOTIONAL PREPARATIONS

- Emotional preparations work with toxins we aren't consciously aware of.
- They are important when combined with preparations against foreign substances and metabolic toxins.
- Joalis produces specific preparations that utilize stress and harmful emotions.
- The emotional component is also contained in each drain.

Check out Joalis's emotional [preparations](#) with a detailed description at the [e-shop](#) at [www.joalis.eu](http://www.joalis.eu).

*Joalis preparations are food supplements. They are not medication and can therefore not be used to supplement medication prescribed by a practitioner.*
